The Leather Bottle Inn.
On the Dover road at Northfleet, just where the old road, down which David Copperfield trudged on his weary pilgrimage to Dover, breaks away on its temporary parting from what is now the main road, is an old inn named the Leather Bottle. Over the door hangs a veritable leather bottle. The uninitiated Dickensian is momentarily deceived into the belief that here is the Leather Bottle of Pickwick fame, and is disgusted when he discovers that this is still four miles farther on. Nevertheless, this is one of the few "real Dickens inns" still remaining. Dickens, when on his long country tramps, often turned in there for refreshment, and the chair he usually occupied is still to be seen—priceless in the eyes of the host.—London Chronicle.

A Hand-Me-Down.

A well-known advertising expert, responding to the toast "Sartorial Progress" at the banquet of the recent convention of the Tailors' National association, spoke somewhat as follows: "I am glad that you clothiers who advertise nowadays print pictures of men's and boys' fashions. Thus you smarten up the country and tend to abolish the dreadful custom of cutting down dad's suit to boy's size. I remember how in the distant past my little brother rushed whimpering into the sitting-room one night.

SEASON OF 1910 Steamer River Queen WILL OPEN Excursion Season WASHINGTON PARK

Sunday July 17 5 Trips 12, 2 & 4 P. M.
MORNING STAR LODGE
Round Trip 25Cents

To my friends and the public in general:
It is with pleasure that I take this opportunity to inform you that the books of the Independent Steamboat and Barge Company are now open for charters for Excursions during the coming season, and it will be to your interest to call at once and secure the most desirable dates.

Our terms are most liberal and charters can be made for Washington Park and Somerset Beach. To which place we have the exclusive excursion rights as well as Mathias Point, Rock Point, Norfolk, White City, Richmond, Baltimore and all points on the Potomac River and Chesapeake Bay.

Our facilities for chartering parties are unsurpassed in every respect. Our large covered wharf (used exclusively for our excursion business) enables us to give you most modern and up-to-date service. No crowding, no exposure and our schedule between Washington and Washington Park does away with the long and tiresome waiting for the steamers.

Before the construction of Washington Park absolutely no place of recreation was afforded the people of our race, and I proudly point to the fact that I have fulfilled the demands of the people in every respect.

You have one of the best and most modernly improved resorts in this part of the country. Washington Park with its myriads of electric lights, mammoth scenic railway, huge carrousel, dance hall and numerous smaller amusement devices is surpassed in point of natural beauty and modern equipment by no resort south of New York.

By perseverance and an enormous cash outlay I have done this, and now I ask you to show me that I have your hearty support by calling at once and making charters for the coming season.

Yours for pleasure and comfort,
Lewis Jefferson. 1910 First Street, S. W.
